

命名建议——以 *Diabolepis* 代替 *Diabolichthys* Chang et Yu, 1984

张弥曼

于小波

因肺鱼 *Diabolichthys* Chang et Yu, 1984 是鲛类 *Diabolichthys* Holmes, 1856 (p. 45) 的晚出同名, 应予废弃, 建议代之以 *Diabolepis*.

在此对美国加州大学伯克利分校 J. T. Gregory 博士的提示和建议表示感谢。

A NOMEN NOVUM FOR *DIABOLICHTHYS* CHANG ET YU, 1984

Zhang Miman (Chang Mee-mann) and Yu Xiaobo

Diabolichthys Chang et Yu, 1984, a Devonian dipnoan, is a junior homonym of *Diabolichthys* Holmes, 1856, a recent btoid, and should thus be rejected. A new name *Diabolepis* is proposed to replace it.

Diabolepis (nom. nov.)

Synonym: *Diabolichthys* Chang et Yu, 1984, *Proc. Linn. Soc. N. S. W.* 107(3): 171

Genotype: *Diabolichthys speratus* Chang et Yu

Tanks are due to Dr. J. T. Gregory et the University of California, Berkeley for information and suggestion.
